<sup>9</sup> The three syllables are OM, AH and HUNG.

<sup>10</sup> The three places are the space between the eyes, the center of the throat, and the center of the heart

<sup>11</sup> The four obscurations are the obscurations of body, speech, mind, and fundamental consciousness.

<sup>12</sup> The four empowerments are vase, secret, wisdom and word empowerments.

<sup>13</sup> The four paths are those of the four awareness holders. These are: the first stage awareness holder, the immortal awareness holder, the comprehensive awareness holder, and the naturally present awareness holder.

<sup>14</sup> The four aspects of enlightenment are the ultimate aspect of enlightenment, the completely perfect aspect of enlightenment, the manifest aspect of enlightenment, and the essential nature aspect of enlightenment.
